Wednesday, June 12

8:00 a.m. – 3:15 p.m.

11.25 Contact Hours for your MT
Nursing License!

WHO SHOULD ATTEND?

Nurses (and others) from all settings
and specialties!

- ✓ Staff Nurses
- ✓ Nurse Leaders and Executives
- ✓ Nurse Educators
- ✓ Long-Term Care Nurses
- ✓ Public/Community Health Nurses
- ✓ Nursing Program Directors/Deans
- ✓ Social Workers
- ✓ Substance Use Disorder specialists
- ✓ Nursing Students

You Will Gain the Ability and Knowledge to Perform These Skills:

- Recite the warning signs for suicide in different population groups
- Identify interventions for patients who are suicidal
- Describe how to complete a suicide risk assessment and safety plan
- Identify available VA resources for suicidal veterans and how to transfer/coordinate their care
- Recognize signs and symptoms of the more commonly abused prescription drugs and how they might impact suicide potential
- Contrast the different perspectives and experiences of suicide-loss survivors, from professional to parent
- Discuss the importance of historical trauma and its impact on health
- Review the elements of the Montana Professional Assistance Program and summarize how to refer a colleague
- Identify three methods to help you and your coworkers avoid physical and emotional burnout
- Describe how Laughter Yoga can help make your world a better place—yes, it's a thing!
